Re: Proposed Annexation No. 2
to the City of Norwalk

Dear Sir:

At the meeting held on October 23, 1957, the County Boundary Commission reviewed the boundary description and map submitted on October 4, 1957, by Willard R. Pool, City Attorney, for the proposed annexation to the City of Norwalk.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, the County Engineer called to the attention of the Commission that certain minor changes were desirable to clarify and perfect some of the references required to provide the definiteness and certainty intended under provisions of Section 35002 of the Government Code. Said revisions would make no change in the location of the boundaries shown on the map.

The County Boundary Commission approved the boundary description submitted by Willard R. Pool and the alternate description recommended by the County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

GORDON T. NESVIG, Secretary
COUNTY BOUNDARY COMMISSION
